

## Pass on the baton, leave a gift today so that there can be more prayer tomorrow

The Christian Healing Mission is committed to providing **prayer for free** for all those who need it. For this to continue for another generation we have to increase our reserves and investment income. It is often thought that only the very rich leave legacies but without gifts from people like you and me many of the charities we all know would not exist today.

We are committed to praying in a manner that is acceptable to **every Christian spiritual tradition** and long to enable more people to **encounter Jesus** for themselves.

In our most recent survey of visitors to Hammersmith **79%** of respondents said

that they had received emotional healing and **68%** physical healing. We'd love to reach out to more people.

We are conscious that many of the people we have contact with are over forty five. We are really keen for the younger generation to experience the healing power of Jesus. As so many of the under thirties obtain much of their information from the latest electronic media, our newest project is to develop our material in a format of short 'bite-sized' sessions that can be distributed in this way.

**Can you help us to pass on this teaching to the next generation?**

**A LEGACY TO RIVAL THE OLYMPICS!**

It would be wonderful if you considered including CHM in your will. You could take the opportunity to make a new will or write a codicil (a small addition) to an existing will.

Writing a will is the way to ensure that there are no misunderstandings in the handling of your estate and that your requests are honoured. Don't put it off, as it's far better to have something in place and save your family extra heartache after your death. Without a will, a court could decide how to distribute your goods and who should look after your children or dependents, which might not coincide with what you really had in mind.

A charity legacy in your will enables you to give more than might be possible during your lifetime and allows you to demonstrate your real priorities, as well as being exempt from inheritance tax. A solicitor can advise you on the exact wording for making any gift.
